Appellees.

Trial Court Case No. **4FA-13-02831CI**

Supreme Court No. **S-17339**

Order

Motion for Leave to File Longer Reply
Brief

Date of Order: **12/11/2019**

On 11/12/2019, Appellant Dwane J. Sykes filed a motion for leave to file an overlength reply brief. On 11/21/2019, Appellees filed an opposition which did not oppose an overlength brief, but asked that certain excerpt references be stricken from the brief. By order dated 11/26/2019, the court asked Appellant to respond to that aspect of Appellees' opposition. On consideration of Appellant's 12/6/2019 reply,

IT IS ORDERED that Appellant's 11/12/2019 motion for leave to file an overlength reply brief is **GRANTED**. The reply brief is accepted, subject to a 212 check. The Clerk's office will issue a separate Notice of Printing.

Entered at the direction of an individual justice.
